

# A G E N D A

## HIT Policy Committee

### Meaningful Use Workgroup

Thursday, January 28, 2010 – 9:00 am to 3:00 pm [Eastern]

---

- 9:00 a.m. Call to Order – *Judy Sparrow, Office of the National Coordinator*
- 9:05 a.m. Review of the Agenda – *Paul Tang, Chair, George Hripcsak, Co-Chair*
- 9:15 a.m. Review current version of MU principles (draft from Strategic Plan WG)
- Focus on health outcomes aligned with national health priorities set by national consensus groups
  - Improve individual and population health and reduce disparities by providing decision makers (including patients, consumers and health care professionals) access to the right information at the right time
  - Foster patient-engagement
  - Increase efficiency in the health care system and reduce administrative burden on providers and patients
  - Balance achievability by a broad array of health care professionals with the urgency needed to stimulate significant progress toward improved health and health care
  - Prioritize use of resources to provide support to areas and providers that have the greatest need
- 10:00 a.m. Category-by-category enumeration of major "philosophical" issues.  
For each issue:
- A. Describe issue
  - B. Assess NPRM position against MU principles
  - C. Agree or develop alternative position or approach
  - D. Assess alternative against MU principles
  - E. If agree that alternative is significantly better than NPRM position, develop rationale

12:00 p.m. LUNCH

1:00 p.m. Category-by-category enumeration of major "philosophical" issues. (cont'd)

2:00 p.m. Discussion of Parking Lot issues

A. Clarification questions

B. Granular recommendations to be submitted independently

2:45 p.m. Public Comment

3:00 p.m. Adjourn
